CONCEPT:

Our lobby artwork shows the landmarks in Bandung. The hotel is placed in central area, where there are lots of historical places nearby. We combine the local tourist spots and historical buildings in one huge artwork.

THE DESIGN THAT WE CREATED FOR:

LUMINOR HOTEL WEST JAKARTA

CONCEPT:

The artwork is telling a story about huge school of golden koi that swam together against the current. At the end of the river, there was a huge waterfall that makes many of the koi turn back.

After hundred years of jumping, one koi finally reached the top of the waterfall. The gods recognized the koi for its perseverance and turned it into a golden dragon, the image of power and strength.

THE DESIGN THAT WE CREATED FOR:

GRAND DAFAM YOGYAKARTA

CONCEPT:

The artwork tells a story about Kalpavriksha (Kalpataru) Tree, which is mentioned in the Sanskrit work Mānāsara as a royal insignia.

In Hemādri's work Caturvargacīntama, the Kalpavriksha is said to be a tree of gold and gemstones.

It is also mentioned several times as the tree of life, also meaning "World Tree"

Fallen Knightz

We are an ancient secret order of 4000 elite knights, masters of combat and fearless defenders of the light. A dark force unleashed a wave of war and terror upon our lands, as we gave our last breath to defend them. All was lost, our world was destroyed and we fell into darkness, our story forgotten.
